

Task #	23 - 20	Date:	21 Sept 2023	
Meet:	Cotes Rad – Willow Rd verge			

Our volunteers were working alongside our Wild About Barrow colleague Lesley today raking the verge at Cotes Road / Willow Road roundabout.

The area had been strimmed last week by Brian and partially raked back with a couple of grass piles to clear away.

Today we filled 9 brown bins, with new piles to be collected next week to fill another 9 bins. After all that hard work the team also cut back the overgrown hedge. Great work today team.

Thanks to our team today: Ian, Owen, Philip, Nick, Steve, Andy B, Margaret, Soo, Alistair and Lesley.

Thanks To Serco and Charnwood Borough Council for the green waste bins

Next Task:

Thursday 5th October 10:00
