

Pennywort Team

Date: Thursday 11 April

Our Pennywort Team were out today for the first time this year. At first glance there doesn't seem to be much, but it's all lurking below!

At least 10-12 inches of root is growing away down there but with the help of Andy on the water we could get to some of the harder to reach patches from the banking.

About 200m or so cleared today thanks to Alison, Karen, Ian, Andy and Philip

Next Event:

Date & Time: Thursday 25th April 10am

Meeting Point: The Navigation Inn
