

Pennywort Team

Date: 18th July 2024

Volunteers from our Pennywort team in action tonight along the canal stretch between Deep Lock and The Navi.

Lots of large mats of weed were removed along most of the section - but we didn't quite make it all the way to the bridge unfortunately. Next time we will start from that end and move upstream.

We went for quantity removal rather than getting the very last bit of each mat so we could make the most of our solo water volunteer.

Thanks to Nick and Sarah for a most enjoyable and satisfying evening by the water.

Next Event:

Date & Time: Thursday 01 August

Meeting Point: The Navigation Inn
