

Pennywort Team

Date: Saturday 30th November

We were lucky to be joined by 5 members from the LOPC Wild Women's Outdoor Adventure Group this morning to tackle the rest of the Pennywort on the canal section at Barrow - We had Tasmin, Abbie, Hayley, Ali and Amy from LOPC

who joined forces with our own team of Ian, Nick, Karen and Brian.

Together we got the last remaining large mats out of the water.
Thank you to both teams
