

Task #	24 – 17	Date:	25 July 2024	
Meet:	Shooting Close Lane			

Lots of volunteers out today to trim the summer overgrowth along Shooting Close Lane.

The ivy on the wall at the Melton Road end was removed as well as long bramble stems growing there and within the hedge opposite, hopefully making it a little safer for those using this busy and popular jitty.

Lots of bramble was fruiting so we were able to leave that in place ready for picking in a few weeks.

Our strimming team was also out in the same area, cutting the nettles and brambles from the path up from High Street.

Thanks to Charnwood BC and Serco for providing the community bins.

Thanks to the team today:

Nick, Bob, Honor, Soo, Alison, Margaret, Ian, Philip, Karen, Patricia, Pat, Paula, Brian and Trev

Next Task:

Thursday 08 August 09:30
