

Task #	24 – 19	Date:	15 Aug 2024	
Meet:	Brooker Close Play park paths			

Another very satisfying task today at the Brooker Close / Willow Road play area. This is a well-used park with equipment for younger children so we try to keep the footpaths leading to it clear as many of the shrubs are fast growing as well as rather prickly. We filled 9 community bins to the brim and had a huge pile of saplings that were really beginning to overwhelm this small area.

Thanks to the team today: (L-R) Margaret, Paula, Nick, Patricia, Bob, Alison, Ian, Karen, Anne, Also, Honor and Trev.

Thanks also to Mick and Liz for coming along for some welcome refreshments

Thanks as always to Charnwood BC and Serco for providing the bins
