

Task #	24 – 21	Date:	29 August	
Meet:	Barrow Boating towpaths			

Another great team turnout today with 11 volunteers at Barrow Boating to cut back the nettles, brambles, and bindweed from the narrow towpath around the car park and moorings area up towards Barrow Weir.

The path was widened by CRT volunteers in 23 to allow better access along this section but in the last few weeks especially the summer growth as exploded and really narrowed the path again.

It was certainly a hard physical workout for our team today, thanks to Andy, Soo, Margaret, Bob, Pat, Ann, Steve, Alison, Ian, Paula and Trev

Next Task:

Thursday 26 Sept 10:00

Location: **Deep Lock**
