

Task #	24 – 22	Date:	26 September 2024	
Meet:	Canal Towpath - Deep Lock to The Navi			

Great to be back out in the fresh air for a group task today along the towpath between Deep Lock and The Navi.

Lots of the narrow pinch points were cleared of overgrowing ivy wrapped around dead trees stumps, along with a fair few low hanging branches. We also cut back the hedgerow to widen the path where needed.

There are still a few tree branches that are just too large and heavy, or too high for our group to get to with only hand tools, but the CRT gang working at Deep Lock today are hoping the weather will hold out and allow them to go along later with a long reach pole saw to tackle those too.

Thanks to the team today: (L-R) Bob, Steve, Pat, Nick, Philip and Trev

Next Task:

Thursday 03 October 10:00

Location: **The Hunting Lodge**
