

Task #	24 – 23	Date:	3 rd October 2024	
Task:	Grove Lane – Sileby Road and Sileby Road – Avon Road Jitties			

Lovely autumn morning and we had 10 volunteers out - we cleared the Grove Lane to Sileby Road jitty first, cutting back lots of overhanging Ivy to make it a lot lighter over the coming winter months, and then down to the Sileby Road to Avon Road jitty.

The entrance at Sileby Road end had lots of ground covering wildflowers during the summer but today it mainly had lots of weeds and bindweed so that was all removed. In the middle section we removed lots of rose thorn that had started to come down low, probably due to the recent heavy rain. The Avon Road end just needed the summer overgrowth to be trimmed back.

Thanks to Charnwood BC and Serco for the 6 community bins to take away the green waste for recycling.

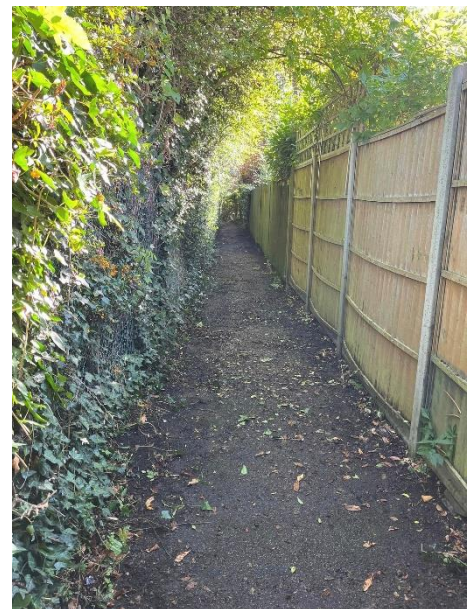

Thanks to the team today: (L-R), Nick, Paula, Margaret, Ali, Bob, Ann, Steve, Karen, Andy and Trev

Grove Lane to Sileby Road - looking up from Sileby Road - lots of light

Entrance at the Sileby Road end leading to Avon Road - weeds and bindweed all removed

Avon Road end all trimmed back

Next Task:

Thursday 17 October 10:00

Meet: [Holy Trinity Church – Church Lane](#)
