

<b>Task #</b>	24 – 24	<b>Date:</b>	17 October 2024	
<b>Task:</b>	<b>Holy Trinity Church hedges, rose beds, Church Land Jitty</b>			

Beautiful autumn morning - sun out and a great turn out from the team as well.

We had 9 volunteers working around Church St jitty and Holy Trinity Church, clearing the path of a huge build-up of weeds, and cutting down the berberis shrubs around the headstones. These shrubs are really beginning to bulk out now with the annual trimming we give them and are beginning to produce fruit on their lower branches.

We also had a team planting daffodil bulbs in both rose beds, which will get a top up of mulch next week too.

Thanks to Charnwood BC and Serco for supplying the community bins for the green waste we generated.

Thanks to the team today, Philip, Pat, Karen, Anne, Bob, Terri, Margaret, Andy, and Trev.

Thanks to Soo for popping along with some biscuits too

Nicely cleared and trimmed

Looking forward to seeing the  
Daffs flower in spring
