

<b>Task #</b>	24 – 25	<b>Date:</b>	31 October 2024	
<b>Task:</b>	<b>Towpath to Pillings Lock</b>			

An amazing turnout today - 15 volunteers - along the towpath from opposite The Moorings towards Pillings Lock.

There wasn't a huge amount to cut back today as Brian and Karen have been keeping it clear all year and working with our partners in CRT for any large overhanging branches, but it was good to be able to clear up broken and hung-up branches.

We also took advantage of the relatively low water levels to do a litter pick and found a fair bit of rubbish too - 7 bags plus a few odd bits - a folding metal stool (or small table) and a mattress/cushion probably from a boat.

Thanks to the team today (sorry that not everyone was in the photo), Ali, Margaret, Anne, Bob, Soo, Terri, Patricia, Andy, Ian, Alison, Philip, Trev, and Nick, Brian, Steve
