

Task #	24 – 28	Date:	12 December 2024	
Task:	Piets Close Paths			

Big team turn out today for our final group task of the year - clearing the leaf debris and mud from the path along Pigs Close.

Having such a large, and energetic team certainly helped with this lung busting work today - and kept us warm all morning.

It's the first time we managed to complete the full footpath length - from Bridge St entrance all the way to the end at Mill Lane - as a single group task - fantastic effort from everyone especially when we also swept leaves/mud from the pavement on Bridge Street before we began too.

Just starting at Pigs Close entrance on Bridge St.

Making sure the safety buoy is clear from brambles

The path looking clear of mud again

The team at the end of the path - Mill Lane

Thanks to the team today: (L-R) Anne, Philip, Steve, Bob, Paula, Karen, Andy, Pat, Patricia, Alistair, and Nick

Next Task:

Thursday 09 Jan 2025 10:00

Meet: **Millennium Park – Melton Road entrance**
