

<b>Task #</b>	25 – 04	<b>Date:</b>	20 <sup>th</sup> February	
<b>Task:</b>	<b>Fishpool Brook paths – part 2</b>			

Another great turnout this morning to continue the work along Fishpool Brook footpath - we found the edge again - or at least we did in some places.

Starting the Heron Road end this time, we increased the width of the paths back to the original width by removing lots of soil that had encroached over the edges. It's hard work, and there's lots of it, but we managed to complete another significant length, leaving only a small stretch for next time.

New volunteer Rachel joined us today - welcome.

Thanks to the team today: (L-R) Andy, Ian, Bob, Patricia, Angie, Anne, Rachel, Steve, and Trev

At the start of- and still full of energy

Bottom of Brook Lane - much wider now
