

Task #	25 – 08	Date:	17 <sup>th</sup> May	
Task:	Breachfield Road - Melton Road jitty			

We trimmed and tidied the jitty running between Breachfield Road and Melton Road this morning.

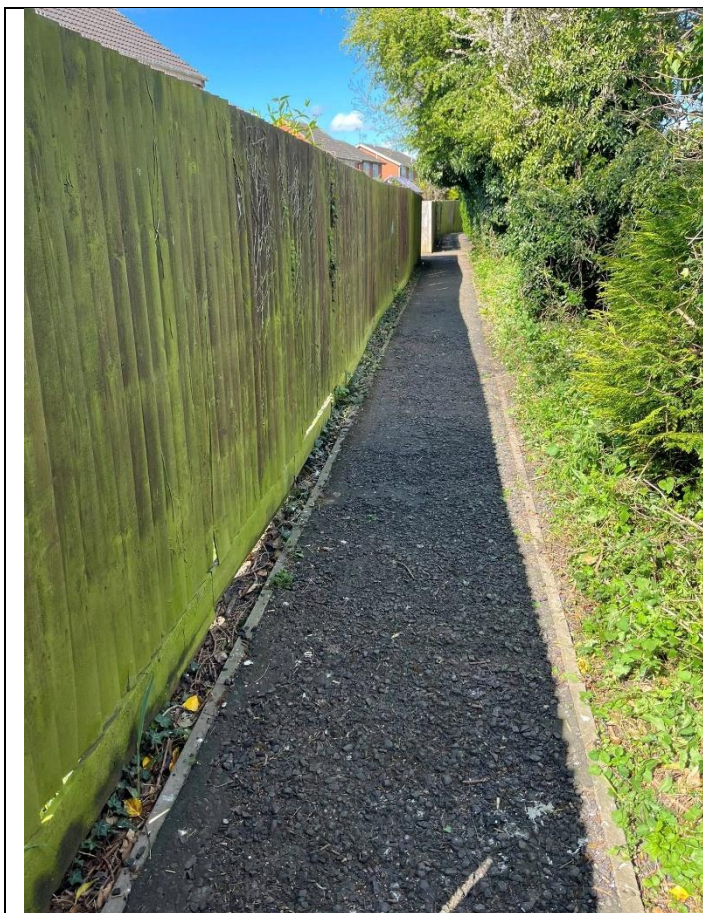

We had 8 volunteers and we were able to make the most of the lovely weather and cut back a few areas that had just started to encroach and make it difficult to walk the path side by side or with children.

Lots of Ivy growth again near the bottom of the path which we will try to tackle in autumn or winter.

Thanks to the team today: (L-R) Andy B, Bob, Karen, Nick, Philip, Pat, Steve and Trev

Swept and trimmed

Early overgrowth trimmed back and removed.

**Next Task:**

Thursday 1<sup>st</sup> May 10:00

Meet: **Top of Buttermere Way**
