

Task #	25 – 13	Date:	19 th June	
Task:	Benches at Holy Trinity			

A bonus Footpaths Task today at Holy Trinity Church staining the 4 benches that we maintain there around the rose beds.

In the hot morning sunshine, we had 11 volunteers' scrub and clean the benches before 2 coats of stain were applied to keep them looking good for another 12 months.

We also trimmed by the overgrowth between the headstones along the jitty, and removed some weeds from the moss, to try to make the path entrance all look smarter too.

Thanks to the team today: (L-R) Patricia, Paula, Terri, Bob, Philip, Anne, Ian, Andy, Pat, Alison, and Trev TT

All benches fully ready - just waiting an extra few minutes for the paint to dry

Cutting back the overgrowth between the headstones.

The rose beds are looking glorious at the moment, full of flowering Rozanne geraniums and some lovely poppies that have made an appearance too.

Next Task:

Thursday 26th Jun at **0930**

Meet: **High St Car Park entrance area**
