

Task #	25 – 14	Date:	26 th June	
Task:	Bridge St to Cotes Road jitty			

Busy morning with the team today: we started at Old Station car park clearing the overgrowth from the walled area at the top of Bridge St, we then cleared the long jitty from the bottom of Bridge St up and over the railway tracks, and along to Cotes Road.

We clear the overgrowth from this path at least 3 times a year as it is such a well-used jitty and we can really see the difference our work has made over the last few years. A huge amount of hard work today from some hot and sweaty volunteers.

Thanks to Charnwood BC and Serco for the bins - we filled 8 today with lots more left on site to compost down in safe locations.

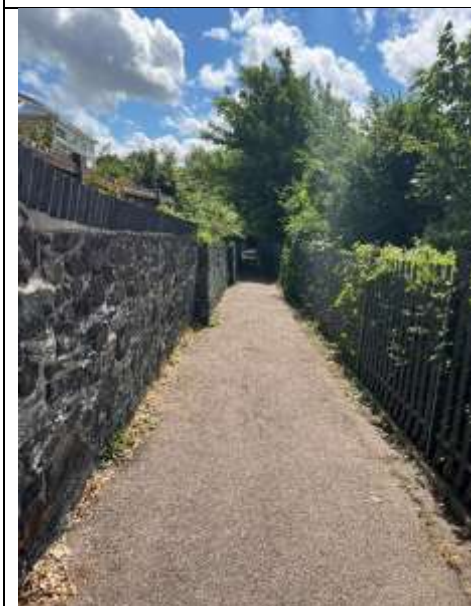

Thanks to the team today: (L-R) Bob, Steve, Philip, Patricia, Nick, Ian, Andy, Terri, Pat, Paula, Karen, Alison and Trev
