

Task #	25 – 15	Date:	10 th July	
Task:	Path to One Man Bridge, Towpath from The Navi to Deep Lock, Pigs Close to Mill Land path			

A very hot and sweaty morning on the towpath today.

Firstly, we checked the footpath towards One Man Bridge - which wasn't too bad at all and looked as if it might have been recently cleared by LCC.

Then, as we had a large team of 13 volunteers, we were able to split into two teams - one along the towpath to Deep Lock, and the other along the other side of the canal, from the bottom of Mill Lane play park and along Pigs Close.

Hugging the shade where we could, we trimmed back growth that was making the towpath a bit too narrow for comfortably walking along. A few patches of nettles and some low hanging tree branches also got cleared away.

A smaller team also tackled a bulging blackberry bush causing problems on the towpath towards Pillings.

Thanks to the team today: (L-R) Andy, Philip, Margaret, Anne, Nick, Terri, Bob, Karen, Steve, Patricia, Alistair, Ian and Trev
