

Task #	25 – 20	Date:	21 st August	
Area/ Task:	Brooker Close / Willow Road play area paths			

Today we were at the Brooker Close /Willow Road playground clearing the overgrowth from the paths.

A great turn out today and we filled all 12 community bins in record time. We made sure to clear up as much of the green waste as possible as a lot was the spiky berberis - great for wildlife, but not so great for anyone getting too close or small feet sleeping on to it.

We cleared the overgrowth around the fence inside the play area too and gave that a good tidy up.

Thanks to Charnwood BC and Serco for the bins.

Thanks to the team today, Ian, Bob, Nick, Steve, Philip, Pat, Margaret, Paula, Terri, Andy, Karen and Trev

Making a great start

Clearing up as we go along

Bob's berberis boots

Looking much better one side

And the other side isn't bad either
