

Task #	25 – 25	Date:	30 th October	
Area/ Task:	Towpath re-surface from The Navigation end			

More grano resurfacing along the towpath today but this time starting from The Navigation end. We completed another 200m of path which provides some extra protection as we go into the autumn and winter months.

Once again, we were supported by 2 members of staff from Tarmac - thank you Sophie and Jade - a few extra hands helping really does make a huge difference. Thanks to Canal and River Trust for the materials and tools.

Thanks to our amazing volunteers today- Karen, Alistair, Steve, Nick, Terri, Patricia, Philip, Andy, Paula, Anne, and Trev

Next Task:

Thursday 13th November

Meet: **Piets Close/Bridge St entrance area**
