Another huge effort from the team today - 2 full hours of hard graft for all of us!

We scraped, chopped, cut back, brushed and raked the Grove Lane to Sileby Road jitty, before doing the same with the Sileby Road to Avon Road one.

Thanks to Serco and Charnwood BC for the brown bins - which we filled with nettles, brambles, weeds, ivy and lots and lots of leaves Both jitties now have a bit more light and a lot less mud.

Thanks to our amazing volunteers - Andy, Alistair, Bob, Nick, Pat, Steve, Patricia, Terri, Paula, Philip and Trev the trolley.
