

Pennywort Team

Date: Thursday 24th July – PW25-03

This evening we enjoyed an evening at Sileby Mill helping LOPC Wild Women Outdoor Club clear away some rather large mats of Pennywort. We split into 2 groups, one on the river - which Sarah on her paddle board joined, and one on the back water, which the rest of us helping on the banks joined.

Thanks of our volunteers - Karen, Brian, Linny, Glenn and Sarah, and thanks to everyone else that joined in this mammoth task.
