

Pennywort Team

Date: Thursday 4th September

Another couple of hours removing pennywort from the River Soar around Barrow Bridge and the canal section between Deep Lock and The Navi. Our 7 volunteers joined forces with 7 ladies from LOPC Wild Women Outdoor Club to tackle both areas.

Some photos from our night on the canal section with Karen, Brian and Ian on the towpath, and Russell and Laura on the water. Glenn joined the ladies tackling the larger mats on the river section.

Thanks to everyone that came to help out - a great job done by both teams. Hopefully we will have the weed boat back in our area soon to make a start on the really large mats.

Our team - Karen, Russell, Laura, Brian and Ian

Glenn and Amy with ladies from LOPC Wild Women Team

A first small mat pulled in to get us going

The boarders gathering the loose ends from the reeds

Our last small mat of the evening

This one was huge and was left for the weed boat to tackle

Next Event:

Date & Time: ***Tbc – depends on weed boat progress etc***

Meeting Point: ***Tbc***
