

Task #	F26 – 05	Date:	5 th March	
Area/ Task:	Melton Road to Breachfield Road			

Huge team turnout today - and with blue skies all around. The team cleared the jitty between Melton Road and Breachfield Road, taking out the waste that was cut down there a few weeks ago. Lots of extra green waste to be collected from there soon.

We were also told about an overgrown entrance area from a nearby footpath along Breachfield Road towards Poppyfields, so we cut that back too. Really great work today.

Thanks to Charnwood BC and Serco for the bins.

Thanks to Steve, Alistair, Alison, Karen, Ian, Andy, Pat, Patricia, Bob, Terri, Margaret, Paula and Trev.
