

Task #	F26 – 07	Date:	2 nd April	
Area/ Task:	Bridge St & Piets Close to Mill Lane			

Fabulous morning to be out with the team - we had 11 volunteers clearing the overhanging bramble and ivy from the pavement at the top of Bridge St, before we moved down to Piets Close and onwards to Mill Lane.

With it being early in the season there wasn't a huge amount of overgrowth along these footpaths, but we were able to dig up a few brambles that were sprouting too close to the path. We also tidied away a few tree branches that had fallen last year and added them to the dead hedges at either end of the path.

Thanks to Charnwood BC and Serco for the bins.

Thanks to the team today: Phil, Andy, Bob, Steve, Terri, Pat, Nick, Paula, Ali, Ian and Trev
