

Task #	F26 – 09	Date:	30 th April	
Area/ Task:	Riverside View – benches and planters			

A huge turn out today with 12 volunteers carrying out our yearly task to brush down and stain the wooden benches, wash down the plastic benches, and paint the wooden and concrete planters. We also painted the gravel beds under and alongside the memorial bench. It helped that there was blue skies and sunshine, and a promise of tea and biscuits to finish.

Thanks to the team today, Paula, Pat, Margaret, Karen, Philip, Steve, Anne, Patricia, Nick, Alistair, Bob, and Trev
