Another hot and sticky morning for our band of 9 volunteers. Luckily for us, most of the jitty was in the shade so we avoided the worst of the heat.

We cleared weeds and ivy from the footpaths, keeping anything flowering where possible - including lots of bramble near The Rookery, and also some wildflowers.

Thanks to Charnwood BC and Serco for the bins.

Thanks to the team today: (L-R) Nick, Bob, Pat, Patricia, Anne, Steve, Ian, Karen and Trev
