

Task #	F26 – 16	Date:	16 th July	
Area/ Task:	To One Man Bridge and A6 underpasses			

Another rather hot day where we grabbed shade where we could.

We cut back the overgrowth along the footpath to One Man Bridge, mainly brambles and nettles, but as always, leaving any fruiting bramble where we could - lots of it too.

We then went towards the A6 underpasses which luckily had recently been cut back. So just some general tidying up to do, plus clearing out lots of the dead wood that was left behind.

Thanks to the team today: (L-R) Bob, Karen, Margaret, Andy, Steve, and Trev

The team enjoying some shade on the way home

Entrance area cleared

Lots of fruit on the brambles along the path

The footpath cleared between the A6 underpasses

Next Task:

Thursday 23rd July 09:30

Meet: **Melton Road roundabout entrance area for Millennium Park**
