

Task #	F26 – 17	Date:	23 rd July	
Area/ Task:	Millennium Park paths			

It was a pleasure working in the shade at Millennium Park earlier this morning. The hedgerows were given a very light trim to keep the paths clear and all cuttings were put onto the existing brush piles within the back of the woodland areas. Luckily, we had a big team out so we finished the work before the heat set in for another day.

Thanks to the team today: (L-R) Ian, Bob, Nick, Terri, Margaret, Philip, Pat, Alistair, Steve, Patricia, Paula, Andy B, and Trev

Light trim around the top paths.....

... and also on the raised walkway

Hedgerow cleared along the raised walkway.

Next Task:

Thursday 6th Aug 0930

Meet: **Melton Road / Millennium Park entrance area**
