

Task #	21-19	Date:	30 th Sept 21	Review Date:	Sept 2022	
				Meet:	Poppyfields/Melton Road	
				Summary:		
				Clear/trim hedges, clear around signage		
				Volunteers:	8	
				Time:	10:00	11:30
				Weather:	Wet	

Walking towards the task today it was wet, windy and miserable, so I wasn't sure who, if anyone would turn up. But what a team they are – all there waiting for me – brilliant. And we were able to try out our new hi-vis jackets – also brilliant.

We normally start at the top of the hill and work downwards but today, the team split up and worked from both ends, meeting at the middle.

The ladies making an impact working towards the top end of Melton Road cutting down the overgrowth - it's a yearly cut we usually do so quite a bit to take back.

The guys working from the bottom also had lots of growth to cut back to keep the pavements safe to use over the winter months.

We have great support from Charnwood Borough Council that provide us with brown bins to use where we think there will be excessive overgrowth to try to remove.

Clearing the overgrowing branches from around the signage to ensure we all know where we are going. Its surprising how quickly the signs get obscured.

Nick, Stewart, Pat, Margaret, Julie, Bob, Steve

Thanks everyone – great work

Looking smart looking down Melton Road – all leaf debris removed from the side and plenty of room on the pavement.

Next Task:

Thursday 10.00 14th October
Location: Bridge Street Amenity area
