

<b>Task #</b>	20-11	<b>Date:</b>	20 <sup>th</sup> Aug	<b>Review Date:</b>	Feb 21
	<b>Meet:</b>	Hunting Lodge			
	<b>Summary:</b>	Clear overgrown bramble, branches and Ivy along Grove Lane/Sileby Road jitty (137) then Avon Road/Sileby Rd Jitty (125)			
	<b>Volunteers:</b>	8 (2 teams of 4)			
	<b>Time:</b>	10:00	12:00		
	<b>Weather:</b>	Warm, and dry			

Lovely day to be clearing these little jitties off Sileby Road. Another special request to get these done before school begins, so just in time. We last did these in October last year and although we gave them a really good cut back, they were both certainly well overdue a trim!

Both of the jitties allowed us to split into two teams, starting at either end, which worked really well and enabled good social distancing. Lots of litter collected along the jitty and a fair few drinks cans to go into the Big Red Bin later. Lots of sweeping up of green waste to make sure it was all nice and tidy – first one down – onto the next!

**A bit of a squeeze getting through here**

**Martin working his magic**

The lighting in Grove Lane jitty was also substantially improved as we were able to cut lots of the overhanging branches down this time thanks to Martin's persistence and a long reach lopper!

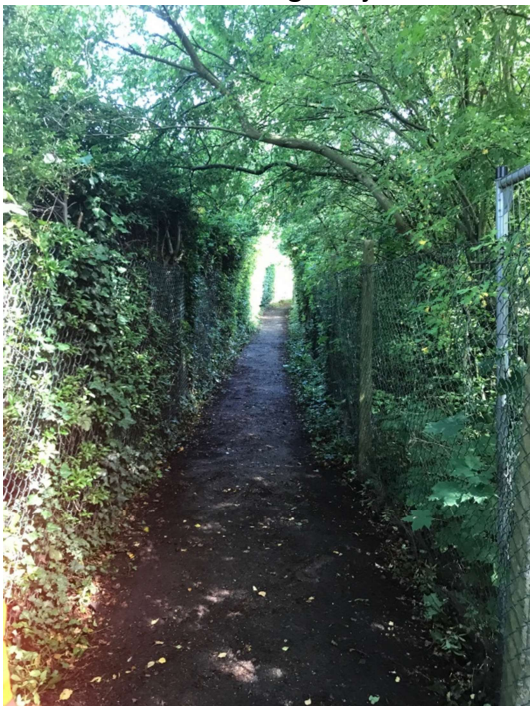

**Phil, Mick Pat and Liz at the Sileby Road end of the jitty**

**Bob and Andy (with Martin right at the back) at the Avon Road end**

The Sileby Road to Avon Road jitty really benefitted from the having two teams working on it as there was a lot of summer overgrowth along the whole path. The team at the Avon Road end did wonders to do as much as they did! By the time we normally get here we're usually rather tired and ready to call it a day. But today, all the overgrowth was cut back and it looked fantastic - great job!

**Jitty after a good tidy up**

**Today's Team - Thanks**

Thanks again to all our volunteers for turning out today. And thanks to everyone that passed us and commented – its great to get your feedback!

**Next Task :**  
Thursday 3<sup>rd</sup> September 10:00  
Meet at Humphrey Perkins School
