

# Barrow Community Litter Pickers

<b>Date:</b>	<b>Monday 4<sup>th</sup> March 2024</b>
<b>Location:</b>	<b>Willow Road Park</b>

Lovely day to be out and about litter picking. 6 volunteers today at Willow Road Park and we all got stuck in, literally, bramble wading to get to the litter.

Lots of disintegrating plastic tree guards as you may expect. But disappointingly also lots and lots of thrown poo bags. A total of 13 litter bags and a few odds and ends, which were collected by Pete from Serco just as we were finishing - great service.

We also found an old fly tip of a washing machine, possibly a fridge too, and lots of building material which will need to be dug out somehow from a ditch next to the road before it can be collected

Thanks to Nick, Ian & Alison, Ann and Pat
