

Barrow Community Litter Pickers

Date:	Monday 4 th November
Location:	Roads around Humphrey Perkins and Hall Orchard Schools

This was our first group litter pick for a few months so it was great to get so many volunteers out - so many, 10, that we were able to split up to cover a few different areas.

One team walked the areas around Hall Orchard- Melton Road - Sileby Road/ Charnwood Mill, and they collected 4 large bags and a fire.

The other group walked around Cotes Road-North Street-Thirlmere Road and Humphrey Perkins. We collected 5 large bags and a section of road safety barrier left in a hedge. Thanks to Serco for collecting almost as soon as the bags were in place opposite HP School.

Thanks to both teams - Alison & Ian, Nick, Anne, Jayne, Steve & Wendie, Bob and Ann

Next Event:
Date & Time: 02 December 10am
Meeting Point: The Moorings car park entrance area
