Litter Pickers

Date:	Monday 2 nd December 2024
Location:	Bishops Meadow Field and Towpath between Deep Lock and The Navi

The rain held off and we were able to have a good wobble - collected 8 bags of general grot from around Bishops Meadow Field and the towpath running alongside it, then along the towpath between Deep Lock and The Navi. Also walked along Piets Close and Mill Lane.

Thanks to Serco and Charnwood BC who will be collecting the bags later.

Thanks to Keith, Ann, Nick and Ian
