

Barrow Community Litter Pickers

Date:	Monday 3rd February 2025
Location:	Broadway's Meadow & Towpath towards Pillings Lock

A great turn out today with 9 volunteers making a start on the recent flood litter that's floated its way down river to us.

Starting around Broadway's Meadow where there was a huge amount to collect - lots of general waste, cans and pieces of wood.

Then up the towpath towards Pillings - some of this was just out of reach so we will be back once the ditch water levels have dropped a bit. Ian went well beyond even his normal level of ditch diving to retrieve a few items - and his reward was 2 very soggy boots to walk home with!

Thanks to Canal & River Trust who will be taking the rubbish away for disposal.

Thanks to the team:
Anne, Keith, Bob, Liz, Ian, Wendie, Alison and Nick

Next Event:

Date & Time: **17th Feb 10:00**

Meeting Point: **Barrow Boating entrance**
