

# Barrow Community Litter Pickers

<b>Date:</b>	<b>3<sup>rd</sup> March 2025</b>
<b>Location:</b>	<b>Barrow Weir back waters – flood litter clearance</b>

Such a lovely morning to be outside - and it certainly was for us collecting more flood water rubbish from around the backwaters at the weir this morning.

We mingled in and around the edges of the waters with both swans and geese in the fields making themselves heard. Luckily, we could avoid any close contact and still get lots of litter removed.

Thanks to the amazing efforts of the team today we removed over 15 bags of general grot, bottles and plastic, plus a car seat, a small table, 3 road cones, and numerous plastic plant pots.

**The volunteers today - Wendie, Steve, Anne, Bob, Nick and Sally**

Thanks to Canal and River Trust who will be collecting the waste later.

## **Next Event:**

Date & Time: **7<sup>th</sup> April, 10:00**

Meeting Point: **Willow Road Park – area opposite 52**
