

Barrow Community Litter Pickers

Date:	Monday 3rd November 2025
Location:	High St Car Park, Barrow Road Traffic Lights area

7 volunteers, 11 bags, 2 grot stops, 1 hour's work.

We started in High St Car Park - always gives us lots of rich pickings from the bushes there - and as usual, lots of bottles and cans!

Next was a walk /pick down Bridge St and over the bridge to the traffic lights. Again, always a spot that gives up grot! We also cleared a few offerings from Riverside View and Broadway's Meadow. A few welcome toots from passing cars too.

Thanks to the team today - Keith, Steve, Bob, Wendi, Jayne, and Anne.

Many thanks to Charnwood BC and Serco who collected the bags within about 5 mins of us finishing, and also provided a replacement roll of bags for future picks.

Next Event:

Date & Time: **Monday 1st December**

Meeting Point: **The Navigation - tbc**
