

Barrow Community Litter Pickers

Date:	Monday 2nd Feb 2026
Location:	Around Mill Lane, Sileby Rd areas

We had 8 volunteers out for our group pick today, meeting up at the bottom out Mill Lane we split out into groups to try to cover as many roads as possible in that general area, so Ribble, Avon, Welland, Mill Lane, and through the jitty onto Sileby Road, South St , and Warner St.

We had a bit of fun getting cans out from behind the wire fence along the jitty, ninja skills with the pickers to 'climb' the cans up the fence, but we got a fair few out I'm pleased to say. 8 bags in total left for collection by Serco and Charnwood BC - thank you to them.

Thanks to a great team – Wndie, Jayne, Andy, Anne, Keith, Steve and, Bob
