

Barrow Community Litter Pickers

Date:	Monday 16 th March 2026
Location:	One Man Bridge towards A6 underpass

Great British Spring Clean campaign 2026

We had an impressive turn out today with 10 volunteers tackling the debris from the recent floods including our newest volunteer Kaz.

We cleared the areas around One Man Bridge, the backwaters to the A6, and around that field towards Betty Hensers Lane. All showing the signs of recently being underwater with the tree branches once again being 'decorated' by shredded plastics. We also cleared a few plant pots, a bollard, plastic liner from a car, so many cans and bottles, and of course, lots of poo bags. 20 bin bags in total.

Thanks to Charnwood BC and Serco for the bags, and to Canal and River Trust who are collecting the rubbish later in the week.

Thanks to the team today, Ian, Alison, Andy, Bob, Jayne, Steve, Wendi, Kaz, Anne and Sally

Next Event:	
Date & Time:	Monday 13 th April
Meeting Point:	The Navigation - for Betty Hensers Lane
