

Barrow Community Litter Pickers

Date:	Monday 13th April 2026
Location:	Betty Hensers Lane

What a difference an hour can make! Our 7 volunteers cleared all of this grot out of the hedgerows at Betty Hensers Lane this morning in just under an hour - amazing job.

We had 15 bags of general grot, most of a fridge, lots of scrap metal, a rather heavy shovel, tarpaulin, plastic containers, a wheel, a traffic cone and as usual these days, a couple of NO canisters.

Thanks to Charnwood BC and Serco who will be collecting it later.

Well done Anne, Steve, Kaz, Wendi, Jayne and Anita
