

# Barrow In Bloom

## Daffodil bulb planting in KGV October 2020

Day 1: Thursday 22<sup>nd</sup> October – Sunny and cool – great day for digging

Volunteers digging the holes – it was hard work – but refreshments up next!

Three generations of keen gardeners here – helping to dig the holes

And they all stayed to help plant the bulbs too – thank you

**We had a lot of help with the bulb planting**

**Thanks to all the children that came along to jump up and down!**

## Day 2: Friday 23<sup>rd</sup> October – What happened to the sun?

Starting where we left off yesterday – different volunteers – different weather – same amazing enthusiasm - Brilliant

Bottoms Up everyone!

Quick break for a cuppa – Thanks to the Parish Council for supplying the refreshments

Last few bulbs going in – and more jumping

**Thanks to all the volunteers and their families that came along to help**

**We managed to finish just before the rain came – great timing everyone**

**A big thank you to those volunteers that came along today to celebrate their special days with us**
