

Barrow Community Litter Pickers

Monday 12th April

Charnwood Mill, Sileby Road

Our first group pick this year saw 6 of us back at Charnwood Mill car park.

Thanks to the ladies out today who had to cut down thick bramble, and scramble over all the loose rubble, to get to years worth of rubbish - you did a great job.

We filled one industrial bin with rubbish today - lots of general waste that had been dumped there.

Plus 4 really heavy black bags full of poo bags - flung over the fencing by dog walkers using the jitty between Sileby Road and Avon Road. So please, bag it but take it home instead.

3 large bags of cans from along the fencing that were taken to the can bank for [Helipads For Hospitals](#). Thanks Anita, Karen, Soo, Alison and Ann.

Next Event:

Date: May 10th tbc

Meeting Point: Attendees will be notified via email.

Please Note:

Due to restrictions currently still in place due to COVID19, group sizes are limited to 6.
