

# Barrow Community Litter Pickers

**4<sup>th</sup> October 2021**  
**Along the Towpaths**

It was a lovely day and we had 11 volunteers turn up eager to make a difference.

4 new volunteers were welcomed before we split into 2 teams – one clearing the towpath from the Moorings towards Pillings Lock, the other team clearing the towpath from Deep Lock towards the Navigation then back along Piets Close.

The team were deep diving from the start and it wasn't long before the trolley was filled to the top and we had to head back.

12 bags of grot removed from the environment – much better for our local wildlife.

## Next Event:

**Monday 1<sup>st</sup> November 1000 Start**

**Meeting Point - location to be confirmed via email and on FaceBook nearer the time.**
