

Barrow upon Soar Station Adoption Group

Sunday 22nd June 2025

Another sticky session at Barrow Railway Station scrubbing and sweeping this morning!

We had 7 of our volunteers out early this morning scrubbing the steps and sweeping the platform. Both tasks help keep the station looking generally very tidy but also help to keep it a little safer for the passengers.

Platform one swept

Both sets of steps scrubbed

Thanks to scrubbers and sweepers Bob, Steve, Karen, Nick, Honor and Anne -
great job everyone

Date of next task: Sunday 27th July 09:30
