

Barrow upon Soar Station Adoption Group

Sunday 31st August 2025

Great turn out today so the tasks were soon sorted - platform one was swept clear of lots of leaves - the autumn has arrived early at the station, platform two was also given a good sweep and had some weeds removed, the bicycle area was cut back, and all the steps were scrubbed clear of mud.

Thanks to Alison, Ian, Bill, Linda, Karen, Honor, Julie, Steve, Bob, Andrew, and Nick

Date of next task: Sunday 28th September 10:00
