

Barrow upon Soar Station Adoption Group

Sunday 26th Oct 2025

Out early today for a group task at Barrow Railway Station. Some of the gardening team, Jane and Honor, were there too weeding and tidying up the planters, before they joined in to help sweep the leaves from platform one.

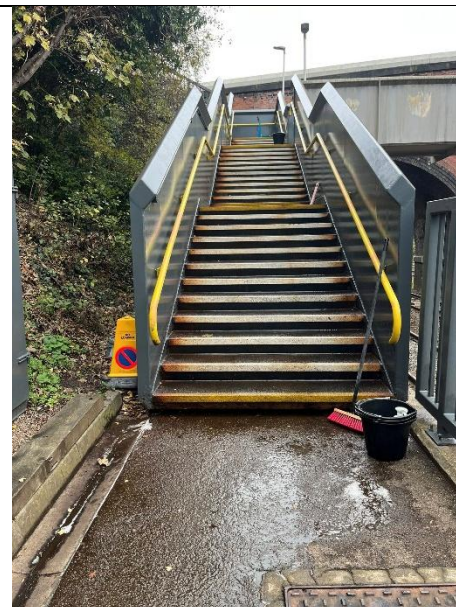

Nick and I then set about sweeping and scrubbing the steps down to platform 1. Lots of elbow grease and a fair few buckets of water later, and they are looking much better - clear of mud, at least for a few weeks. Thanks to Jane, Honor and Nick

Lots of leaves beginning to come down
