

Barrow upon Soar Station Adoption Group

Sunday 26th July 2026

The good weather means at least we can do some painting.

The team were out with their brushes to make a start on touching up the fencing on platform 2. It shouldn't take as long as the first time we did it - hopefully 👍

We also swept and dry brushed the steps to platform 1.

Thanks to Nick, Julie, Alison, Ian, Steve, and Jane

Date of next task: Sunday 30th August 09:30
